

# KINGDOM SLOTS

ELEVATE

2023 PROGRAMME

# WHAT IS ELEVATE?

*Elevate is an exclusive LPM site owner partnership programme established to support the interdependence between Kingdomslots and our LPM Site Partners. The key objective of the programme is to strategically secure and support our partnership by offering a very real share in our joint successes.*

- Strengthen our partnership through tangible incentives
- Reward our site owners across all tiers (excluding Type B sites)
- Increased revenue share

# HOW DOES IT WORK?

## HOW DO YOU QUALIFY?

*All sites that are live and operational by 01 January 2023 and have a valid SOA in place until 31 December 2024 are automatically eligible for our Elevate Partnership Programme. However, to qualify for GGR Year on Year growth and ascending a tier the LPM business must have been operational on 01 July 2022.*

*Membership to the programme is free, along with all incentives and rewards whilst a valid SOA is in place.*

*The programme will commence on 01 January 2023 and will run until December 2023, a total of 12 months.*

# HOW IS MY SITE'S TIER DETERMINED?

*All sites will be assessed annually based on their average turnover (totals bets) per machine per day for the period January 2023 until December 2023. This will determine your tier for the 2023 programme.*

*Your Area Manager will confirm the tier you have been placed in for the year 2023 programme*
